## **North American Distributor for Beaver Plastics Megablocks**

What a difference one year makes!

During this time when many are experiencing uncertainty due to COVID-19, we are grateful that we have experienced very few interruptions to our business in the alfalfa/leafcutter bee industry. Thank you to those frontline managers and workers who have made this possible.

Thank you to our suppliers who provide quality products.

Thank you to the workers who process seed at plants throughout North America, and to the seed trade for constantly promoting alfalfa seed for the wonderful product it is.

Thank you to government workers, customs brokers, and the transportation industry who kept the wheels turning, and who worked hard to keep the supply chains open.

MOST OF ALL, THANK YOU TO OUR CUSTOMERS FOR YOUR ONGOING BUSINESS. PLEASE KEEP WELL. WE HOPE TO SEE YOU IN PERSON IN 2022.
